Welcome back!

Dear M&T Alumni,

We are extremely excited that the M&T 30th Anniversary Celebration is finally here. Truly a momentous occasion, this is the third such M&T anniversary event and certainly the largest with over 200 attendees.

We're trying something a little different this year—a three-day event with an entrepreneurship and networking focus. Our overall goal for the 30th has always been to educate and enrich as you reconnect with the Program and strengthen that special connection that all M&T's share.

We sincerely hope that you enjoy your return to campus, the weekend's activities, and all Anniversary programming.

Best,

The M&T 30th Anniversary Alumni Planning Committee
